H. G. TURNER.

MISS L. A. NEFF. MISS B. L. BROWN.

EDMONTON, Alberta, January 12, 1908.

HON. W. T. FINLAY, M.P.P.,
Provincial Secretary,
Edmonton, Alberta.

SIR,—I have the honour to present to you herewith the report of this Department for the year 1908.

The great commercial expansion referred to in previous reports has continued unabated during the year just closed, as reference to the appendix will disclose, and the manner in which capital continues to be attracted to and invested in the province, augurs well for its future development.

REGISTRATION AND INCORPORATION OF COMPANIES.

During the past year one hundred and thirty-seven companies have been incorporated under The Companies Ordinance. These represent $11,917,950.00 of capital. In addition to the foregoing, forty-three foreign companies have become registered, representing capital to the extent of $31,312,000.00. In each case the foregoing figures are slightly less than those for 1907, but when the universal financial stringency which prevailed during the early part of the year is taken into consideration, the results are highly satisfactory. Some of the very foremost English, American and Canadian commercial institutions have established agencies in the province during the year, which plainly indicates that the very excellent opportunities offered for the employment of surplus capital in Alberta are being generally recognized. The value of institutions of this nature to the province as a whole is plainly apparent when cognizance is taken of the great number of substantial business blocks that are constantly in course of erection at Calgary, Edmonton and other points. Nothing, to my mind, could more clearly indicate the confidence reposed by Eastern manufacturers and capitalists generally in Alberta's future than their readiness to assist, as they are doing in her upbuilding in such a substantial form.

ORDINANCES AMENDED.

In my report of last year some changes were foreshadowed to The Foreign Companies Ordinance whereby provision would be made for the registration of companies whose objects were strictly of a commercial character by the payment of an annual registration fee instead of the initial fees outlined in Schedule A of the Ordinance. This amendment was agreed to by the Legislature, and as a result some fifteen companies have become registered under this new provision. While the amendment has had the effect of lessening the revenue somewhat for the year, it is generally felt that the province will benefit by the change in the end.

OTHER ORGANIZATIONS INCORPORATED.

During the year several creamery companies have been incorporated under The Dairymen's Act, as also have a number of cemetery companies filed the required declarations under the provisions of The Cemetery Ordinance.

STATEMENT OF REVENUE.

The following is a statement of the departmental revenue for the year, showing the sources from which it has been obtained:

Auctioneers' licenses	$ 820.00
Pedlars' licenses	500.00
Marriage licenses	3,580.00
Automobile licenses	137.50
Certificates under Prov. Seal	98.00
Companies	7,710.70
Foreign companies	10,130.62
Incorporation fees under Chap. 22, 1907	9.50
Incorporation fees under Chap. 22, 1908 (Sec. 10)	10.00
Incorporation fees under Chap. 43, 1907 (Sec. 10)	10 00
Registration fees under Chap. 5, 1907 (Sec. 10)	2.00
Gazette fees	930.00
Refunds	11.35
Total	$23,949.67

Of the foregoing amount $930.00 has been handed to the Government Printer for Gazette and advertising fees.

The departmental expenditure for the year 1908, including salaries, amounted to $4,983.74. The amount voted at the last Session of the Legislature was $5,320.00. There is, therefore, an unexpended balance to the credit of the department of $336.26. The receipts exceeded the expenditure by $18,965.93, which amount has been deposited in the general revenue fund of the province.

GENERAL REMARKS.

The department has had a very heavy years' work, and the lack of sufficient accommodation and a safer and more satisfactory filing system are factors with which we have had to contend. Some conception of the volume of work performed by the staff may be gathered from the following table showing the number of proclamations, commissions, certificates, etc., etc., issued during the year:

Proclamations	3
Commissions appointing police magistrates	2
Commissions to administer oaths within the province	321
Commissions to administer oaths without the province	8
Commissions to justices of the peace	124
Commissions to notaries public	47
Commissions to coroners	6
Marriage license issuers appointed	29
Certificates of incorporation to joint stock companies	137
Certificates of registration to foreign companies	43
Congregations incorporated under Congregations Holdings Act	19
Auctioneer licenses issued	116
Pedlar licenses issued	22
Automobile licenses issued	45
Marriage licenses issued	2,083
Certificates under provincial seal	96
Cemeteries incorporated	3
Creameries incorporated	2

Detailed information regarding the companies incorporated and registered during the year, together with the names of persons to whom commissions have been issued, and such other general information as may be of interest to the public, will be found in the appendix to which your further attention is respectfully invited.

Respectfully submitted.

I have the honour to be, Sir,
Your obedient servant,

HAROLD W. RILEY,
Deputy Provincial Secretary
and
Registrar of Joint Stock Companies.
